It's safe to say  
That you don't get it  
It's safe to say  
That you never will  
It's safe to say  
That you don't get it  
It's safe to say

That you really could win here  
You really could take me home with you  
Really could win here  
But instead, yeah instead

Send me back in time  
Never to resign  
Or never to presume  
That you can't be seen  
You can't be heard  
I got my glasses on  
I got my magic glasses

Send me forward in time  
Never to resign  
Or never to presume  
That you can't be seen  
You can't be heard  
I got my glasses on  
I got my magic glasses

It's safe to say  
That you don't get it  
It's safe to say  
That you never will  
It's safe to say  
That you don't get it  
It's safe to say

That you really could win here  
You really could take me home with you  
Really could win here  
But instead, yeah instead

Send me back in time  
Never to resign  
Or never to presume  
That you can't be seen  
You can't be heard  
I got my glasses on  
I got my magic glasses

Send me forward in time  
Never to resign  
Or never to presume  
That you can't be seen  
You can't be heard  
I got my glasses on  
I got my magic glasses
