Nowhere to hide  
No words to speak  
A silent scream  
Is all I hear

I want to hide  
I want to speak  
I want to show  
that all you see is me

Standing here, I'm standing 'here  
and the reflection you see  
is just a shadow

Standing here and all I am  
Is what I always denied  
And I hope that you will understand  
my reasons why

I've played  
With all I had  
The one I fool  
is me

Standing here, I'm standing 'here  
and the reflection you see  
is just a shadow

Standing here and all I ever dreamt to be  
Is a shade of who I really am  
And I hope that you will understand  
my reasons why

Standing here, I'm standing 'here  
and the reflection you see  
is just a shadow

Standing here and all I am  
Is who I am  
And I hope that you will understand  
my reasons why
