I'm standing here  
next to you  
wondering if  
this time i might pass  
as something else, something more  
not a friend  
I'm not your friend

I wanna make you sing  
I'll tell you everything  
if I can make you sing  
I'd give anything  
just to hear you sing  
I wanna make you sing  
I wanna make you sing

I'm so sorry  
I made you worry  
I wasn't sane  
I acted like a mad man  
but I couldn't stand  
your proposition  
lets just be friends  
I'm not your friend

I wanna make you sing  
I'll tell you everything  
if I can make you sing  
I'd give anything  
just to hear you sing  
I wanna make you sing  
I wanna make you sing

But I'm not that lucky  
I'm never that lucky

Oh, I wanna make you sing  
I'll tell you everything  
if I can make you sing  
I'd give anything  
just to hear you sing

I'll tell you everything  
I'll tell you everything

I wanna make you sing  
I'll tell you everything  
if I can make you sing  
I'd give anything  
just to hear you sing  
I wanna make you sing  
I wanna make you sing
