Hold just one moment  
You're out of line  
And it is choking  
What we've got  
I'm so tired  
Of being right  
Keep me from stealing  
What we've got

Nothing's too good, nothing's too bad  
We can't live for today just live for tomorrow  
We got to go on, got to go on  
No we never know  
Oh no no

Nothing's too good, nothing's too bad  
We can't live for today just live for tomorrow  
We got to go on, got to go on  
No we never know

Oh you're a liar  
Don't waste my time  
Everything changes, you know it's so

Nothing's too good, nothing's too bad  
We can't live for today just live for tomorrow  
We got to go on, got to go on  
No we never know  
Oh no no

Nothing's too good, nothing's too bad  
We can't live for today just live for tomorrow  
We got to go on, got to go on  
No we never know

Please try to read me  
Don't get me wrong  
Please try to see me  
Try to hang on  
Please try to hear me  
Now you know

Nothing's too good, nothing's too bad  
We can't live for today just live for tomorrow  
We got to go on, got to go on  
No we never know x7
