I saw the souls  
I saw the martyrs  
I heard them crying  
I heard them shouting  
They were dressed in white  
They'd been told to wait.  
The sun was black  
The moon was red  
The stars were falling  
The earth was trembling.  
And then a crowd  
Impossible to number  
Carrying palms  
Shouted amid  
The hotless sun  
The lightless moon  
The windless earth  
The colourless sky...  
They'll no more suffer  
From hunger.  
They'll no more suffer  
From thirst
