And when the lamb
Opened the first seal,
I saw the first Horse.
The Horseman held a bow.
Now when the lamb
Opened the second seal,
I saw the second Horse.
The Horseman held a sword.
The leading Horse is white,
The second Horse is red,
The third one is a black,
The last one is a green.
And when the lamb
Opened the third seal,
I saw the third Horse.
The Horseman had a balance.
Now when the lamb
Opened the fourth seal,
I saw the fourth Horse.
The Horseman was the Pest
