You know all you need to know
Just say it if you wanna go (go)
I apologize for all I put you through
Can't blame you if you walk away
Can't say I gave you reason to stay
Let me see it your way
I need a better view

[brigde]
If my heart was untrue
Would I stay, would I leave you
If you were hurting inside
Would you take the time to realize
If I didn't love you the way that I love you
Would I let go, i'll never know
Unless i'm in your shoes

[chorus]
What if all
The wrong things
That I did to you, you did it all to me
What if I
Had to feel
Your pain
You're the only one who loves me
No matter what I do
What would I do, what'd I do
(If I were) in your shoes

It's been a it's been a while and i'm giving in
I need to learn, help me understand
Teach me how to love and be a better man
Show me girl, want you lead the way
Tell me what'd made you stay
With all that I done wrong
What made us last so long

[brigde]
If my heart was untrue
Would I stay, would I leave you
If you were hurting inside
Would you take the time to realize

If I didn't love you the way that I love you
Would I let go, i'll never know
Unless i'm in your shoes

[chorus]
What if all
The wrong things
That I did to you, you did it all to me

What if I
Had to feel your pain
You're the only one who loves me
No matter what I do
What would I do, what'd I do
(If I were) in your shoes

You've been through the pain
House of slitting rain
Through the storm for me
Did it all for me (for you)
Now it's time for me
It's time for me to see
That's what I would do
If I were in your shoes

[chorus]
What if all
The wrong things
That I did to you, you did it all to me
What if I
Had to feel your pain
You're the only one who loves me
No matter what I do
What would I do, what'd I do
(If I were) in your shoes

What if all
The wrong things
That I did to you, you did it all to me
What if I
Had to feel your pain
You're the only one who loves me
No matter what I do
What would I do, what'd I do
(If I were) in your shoes

What if all
The wrong things
That I did to you, you did it all to me
What if I
Had to feel your pain

You're the only one who loves me
No matter what I do
What would undo, what'd I do
In your shoes...
