i was sitting in the street when the news came my way  
(x2)  
good news (x4)  
i was sitting in the street when the messenger came by  
i was sitting in the street when the messenger came my  
way  
good news, good news like a rare blood disorder  
good news (x2)

i was sitting in the street  
i don't believe i've made it clear what exactly i mean by  
that  
i was sitting in the middle of the street  
dust made its way into my legs even though my shirt  
was tucked in  
and i saw the colors forming in the west  
saw the bright feathers reflected in the sky, now  
good news (x4)
