

## Mountain Goats, The "Going to Reykjavik"

i been drinking that coffee you sent me from thailand  
i've been watching the lamps burn  
i've been listening to the wind chime  
i've been waiting my turn

and i'm coming to you  
i am coming to you  
i am coming to you

and i heated the milk until it boiled  
and i drank it down  
and i stepped outside  
and i checked my reflection in the rain  
there were voices on the wind  
winter coming on in  
and i made myself up again, brand new

and i am broken and i am tired  
and i'm coming to you with my mouth  
dripping
