Though you've played at love and lost  
And sorrow's turned your heart to frost,  
I will melt your heart again.  
Remember the feeling as a child  
When you woke up and morning smiled,  
It's time you felt like you did then.

Come with me, I'll take you where  
The taste of life is green,  
And every day holds wonders to be seen.  
Come with me leave yesterday behind.  
And take a giant step outside your mind!

You start at me in disbelief,  
You say for you there's no relief.  
But I swear I'll prove you wrong.  
Don't sit here in your lonely room  
Just staring back in silent gloom.  
That's not where you belong.

There's just no percentage in  
Remembering the past.  
It's time you learned to live again at last.  
Come with me leave yesterday behind.  
And take a giant step outside your mind.
