"MIRACLE"

Visit "[MIRACLE](#)" on MotoLyrics.com

Did I hear you say that you'd been praying?
Were you asking God to send the perfect Romeo?
Can you pay the price for instant satisfaction,
Or can you wait for love to grow?

CHORUS: Is it a miracle you were looking for?

A miracle.
Did I hear you say that you'd been praying?
Can't you tell the miracle's occurred?
You think I am not the man you prayed for,
But I am here to bring the word

CHORUS : That it's a, it's a miracle.

So here is your miracle
Sent down from above.
We're together with the will to grow,
And sow the seeds,
And pull the weeds,
And fill the needs of love.

CHORUS: (Repeat)
