It's been such a funny day, I don't know why  
Walking on an endless lane, life passing me by  
Tomorrow is calling but I'm dragging my feet  
The skies are indecently clear but I can't stand the heat  
Sleepwalking in a haze, stumbling like a child  
Dragons that I used to chase tease me from inside  
The future is uncertain, just like yesterday  
Memories of heaven can be taken away  
You know, time flies  
And the rebels, one day, they all go quiet  
Ain't no money, ain't nobody that can buy you peace of  
mind  
Ain't no money, ain't nobody that can buy you peace of  
mind

They say you learn from your mistakes, it's a lie  
My redemption has been staged numerous times  
But the angels of passion still taunt me in my sleep  
They keep throwing petals and thorns underneath my  
feet  
You know, time flies  
And the rebels, one day, they all go quiet  
Ain't no money, ain't nobody that can buy you peace of  
mind  
Ain't no money, ain't nobody that can buy you peace of  
mind
