What's a woman when a man  
Don't stand by her side?  
What's a woman when a man  
Has secrets to hide?  
She'll be weak  
She'll be strong  
Struggle hard  
For so long  
What's a woman when a man  
(What's a man without a woman?)  
Don't go by the rule?  
What's a woman when a man  
(What's a man without a woman?)  
Makes her feel like a fool?  
When right  
Turns to wrong  
She will try  
To hold on to the ghosts of the past  
When love was to last  
Dreams from the past  
Faded so fast  
All alone  
In the daek  
She will swear  
He'll never mislead her again  
All those dreams from the oast  
Faded so fast  
Ghosts of the past  
When love was to last  
All alone  
In the dark She will swear cross her heart  
Never again  
Cross my heart  
Never again
