He said, "Baby, what's your name?  
Are you new in this town?  
Since you walked in, things don't look the same  
How about sticking around?"

The place was dark and the band played loud  
His voice sounded kind of dry  
He said, "Who's that guy with the funny smile?"  
She said, "He's just a friend of mine"

Just a friend of mine  
Just a friend of mine

They talked a little, drank a lot  
As the evening went by  
The place got crowded and the air too hot  
He said, "Let's go out for a while"

The night was clear and the wind was soft  
As they walked side by side  
He said, "Who's that guy following us about?"  
She said, "He's just a friend of mine"

Just a friend of mine  
Just a friend of mine

He was nice and gentle, still rough enough  
To keep her satisfied  
She said, "Hold it, baby, it gets too much  
I feel like I'm gonna die"

He took her home in the early mornin'  
She said, "Please do come inside"  
He said, "Who's that guy in the dressing gown?"  
She said, "He's just a friend of mine"

Just a friend of mine  
Just a friend of mine

He said, "Who's that guy in the dressing gown?"  
She said, "Baby, don't you mind  
He's just a friend, he's just a friend"

He's just a friend of mine"
