Raindrops falling softly as I walk on down the road  
Neon lights flicker reflecting on my leather coat  
A black guy passes me by, he's looking kinda high  
When I'm reaching for a smile, I see that strange look  
in his eye

Here I am in Philadelphia  
And I'm walking in the rain  
You're out there in Compton  
Do you still remember my name?

I couldn't hear what he said but I suddenly realized  
Thousands thoughts go through my head while his  
steps they follow mine  
A woman must be crazy to be out this time at night  
Unless she's looking for some business, unless she's  
feeling real uptight

Here I am in Philadelphia  
And I'm walking in the rain  
You're out there in Compton  
Do you still remember my name?

Here I am in Philadelphia  
And I'm walking in the rain  
You're out there in Compton  
Do you still remember my name?

And here I'm standing at the station waiting for my  
train to come  
When that dude gave me a look made me wonder what  
I'd done  
A woman must be crazy to be out this time at night  
Unless she's looking for some trouble, unless she's out  
of her mind

And here I am in Philadelphia  
And I'm walking in the rain  
You're out there in Compton  
Do you still remember my name?

Here I am in Philadelphia

And I'm walking in the rain  
You're out there in Compton  
Do you still remember my name?

Do you baby?  
Do you remember?  
Tell me baby  
Do you remember?  
Remember my, remember my  
Remember my name?
