It's been such a funny day  
I don't know why  
Walking on an endless lane  
Life passing me by

Tomorrow is calling  
But I'm dragging my feet  
The skies are indecently clear  
But I can't stand the heat

Sleep walking in a haze  
Stumbling like a child  
Dragons that I used to chase  
Tease me from inside

The future's uncertain  
Just like yesterday  
Memories of heaven  
Can be taken away

You know, time flies  
And the rebels, one day, they all go quiet  
Ain't no money, ain't nobody  
That can buy you peace of mind  
Ain't no money, ain't nobody  
That can buy you peace of mind

They say you learn from your mistakes  
It's a lie  
My redemption has been staged  
Numerous times

But the angels of passion  
Still taunt me in my sleep  
They keep throwing petals  
And thorns underneath my feet

You know, time flies  
And the rebels, one day, they all go quiet  
Ain't no money, ain't nobody  
That can buy you peace of mind  
Ain't no money, ain't nobody

That can buy you peace of mind
