What's a woman when a man Don't stand by her side? What's a woman when a man Has secrets to hide?

She'll be weak, she'll be strong Struggle hard for so long What's a woman when a man

(What's a man without a woman?) Don't go by the rule? What's a woman when a man (What's a man without a woman?) Makes her feel like a fool?

When right turns to wrong She will try to hold on To the ghosts of the past

When love was to last Dreams from the past faded so fast All alone in the dark she will swear He'll never mislead her again

All those dreams from the past Faded so fast, ghost of the past When love was to last

All alone in the dark
She will swear cross her heart
Never again
Cross my heart, never again

(What's a man without a woman?) Cross my heart (A woman without a man?) I say never again

(What's a man without a woman?) Cross my heart (A woman without a man?) No, no, never again (What's a man without a woman?)
Cross my heart
(A woman without a man?)
Never again

(What's a man without a woman?) Cross my heart (A woman without a man?) Never again

(What's a man without a woman?) Cross my heart (A woman without a man?) Never again

(What's a man without a woman?) Cross my heart (A woman without a man?) Never again

(What's a man without a woman?) Cross my heart
