"Making Me Fall"

It's the way that you always agree with me
Even when I'm wrong
And that sweet sensation you give to me
Even when you're gone
It's knowing you walk through the night
Just to know I'm alright or just surprise me
It's letting me see that you care
Cause your heart's always there
And you'll be right behind me

It's making me fall
It's making me fall
It's making me fall
It's making me fall
In love

It's the nights that you always say, "Beautiful
Come and lay beside me"
And through the days I always get messages
Never feeling lonely
It's feeling the warmth of your hand
On the cheek, you can't stand
Just the thought, of me crying
It's waking me up in the morning
Just to tell me the story
'Bout the day that you met me

It's making me fall
It's making me fall
It's making me fall
It's making me fall

It's making me fall
It's making me fall
It's making me fall
It's making me fall
In love

I will do my best to be
Everything you ever need
Try to always understand

Keep you safe, be your man
Kiss you in the morning light
Watch you fall asleep at night
This and so much more I'll do
Cause I'm so in love with you

(It's making me fall
It's making me fall
It's making me fall
It's making me fall)
I will do my best to be
Everything you ever need
Try to always understand
Keep you safe, be your man
Kiss you in the morning light
Watch you fall asleep at night
This and so much more I'll do
Cause I'm so in love with you
