Your indecision is what's dragging me down today.
I don't know what is really inside your head.
I'm not the only one who feels this way.
There is so much of you that I do not know what I
should say.

I keep on coming around,
Continue seeing it through.
I don't know why I do the things I do - I guess it's
for you.
It's not quite what I thought it would be here. ...
Looks like you're on your own.

There is no trust.
A broken life.
I can't take too much more of this.

You hate designs a wasted life.
I can't take too much more of ...
This is ... not what I wanted.
I wanted so much more.

I don't know why you hate me.
I don't know why.

I wonder why I let you do this to me today.
It happens everyday or so, it just seems.
I'm falling farther down than I would rather like me to
be.
The problem is you're standing there to push me.

I will keep getting up now,
And you'll keep pushing me down.
How much of me will you destroy before I finally
drown?
You're not quite what I thought you would be here. ...
I hope I'm on my own.

There is no trust.
A broken life.
I can't take too much more of this.

You hate designs a wasted life.
I can't take too much more of ...
This is ... not what I wanted.
I wanted so much more.

I don't know why you hate me.
I don't know why.

I hate this place. ...
When can I leave?

There is no trust.
A broken life.
I can't take too much more of this.

You hate designs a wasted life.
I can't take too much more of ...
This is ... not what I wanted.
I wanted so much more.

I don't know why you hate me.
I don't know why.

I can't get out. ...
I've stopped breathing.
