I drive you to a gig of another band
I cannot understand why you're there with friends
And how you can listen to these pop-songs
How you can stay, are you okey?

I don't wanna wanna wanna wanna see you there
I wanna wanna wanna wanna clear this concert

I'm too drunk for to sabotage, but I hate these boys
I give a fuck to this pop-band I want to destroy
Their music didn't please me at the bar is where I'll be
And I drank to much of beer

They play songs after songs, I would like to go out
I don't want to know what they're singing about
I want to open the fire against the band
Where is the bomb that stops this concert

I don't wanna wanna wanna wanna see you there
I wanna wanna wanna wanna clear this concert

I'm too drunk for to sabotage, but I hate these boys
I give a fuck to this pop-band I want to destroy

Their music didn't please me at the bar is where I'll be
And I drank to much of beer
To much of beer
To much of beer

You're in front of the stage, bang your head like a doll
Baby don't you know what's rock'n'roll
I'm looking back to the barkeeper, rise my hand
And say gimme some beer 'cause I hate this band

I don't wanna wanna wanna wanna see you there
I wanna wanna wanna wanna clear this concert

I'm too drunk for to sabotage, but I hate these boys
I give a fuck to this pop-band I want to destroy
Their music didn't please me at the bar is where I'll be
And I drank to much of beer

To much of beer
To much of beer
To much of beer
