My eyes  
They never sleep  
My eyes  
They torture me  
My heart it falls so fast  
But it looks back

My knees are getting weaker each passing day  
Each passing day  
With each word of disapproval my backbone falters

Could the be my ticket out of here?  
Could this be the one I'm dreaming of?  
Could this be redemption soon?  
I need redemption soon

Believe me when I say  
I'm trying to make it just like you  
Could you show me grace  
And fall back into my spell  
Into my hell?  
Into my hell

Could the be my ticket out of here?  
Could this be the one I'm dreaming of?  
Could this be redemption soon?  
I need redemption soon

And you don't even know where I come from anymore  
It used to be so easy  
Your provision doesn't even fall on my land anymore  
Conversation weakens in your eyes

Could the be my ticket out of here?  
Could this be the one I'm dreaming of?

Could this be my ticket out of here?  
Could this be the one I'm dreaming of?  
Could this be redemption soon?  
Redemption soon  
Redemption soon
