Gotta lotta guala, gotta lotta guala, gotta lotta guala  
You know me, then you must still know  
I got a lot of pocket friends, so I must be dope.  
They say I gotta lotta guala, gotta lotta gualla, gotta lotta  
They say I gotta lotta guala, gotta lotta gualla, gotta lotta.

Hey girl, imma start it by say  
Shawty got swag, I bet she need another man.  
Hey, girl, why you all with the debate?  
Uh, I like your swag, does he think IÃ¢â‚¬â„¢m bad?

Yeah, I think youÃ¢â‚¬â„¢re bad, baby, show me how you do it,  
IÃ¢â‚¬â„¢m so dope to dope, be sure,  
Light religion, custom fitted jeans, I can introduce you to the front man.

You know me, then you must still know

Gotta stay, stay, so I can go on first date  
Off the red rack, d-dang, d-dang.

WhyÃ¢â‚¬â„¢d you set them up and grab another pair
