My eyes
They never sleep
My eyes
They torture me
My heart it falls so fast
But it looks back

My knees are getting weaker each passing day
Each passing day
With each word of disapproval my backbone falters

Could the be my ticket out of here?
Could this be the one I'm dreaming of?
Could this be redemption soon?
I need redemption soon

Believe me when I say
I'm trying to make it just like you
Could you show me grace
And fall back into my spell
Into my hell?
Into my hell

Could the be my ticket out of here?
Could this be the one I'm dreaming of?
Could this be redemption soon?
I need redemption soon

And you don't even know where I come from anymore
It used to be so easy
Your provision doesn't even fall on my land anymore
Conversation weakens in your eyes

Could the be my ticket out of here?
Could this be the one I'm dreaming of?

Could this be my ticket out of here?
Could this be the one I'm dreaming of?
Could this be redemption soon?
Redemption soon
Redemption soon
