(Tom Petty)

Waiting by the side of the road  
For day to break so we could go  
Down into Los Angeles  
With dirty hands and worn out knees

(Chorus)

I keep crawling back to you  
I keep crawling back to you

The ranger came with burning eyes  
The chambermaid awoke surprised  
thought she'd seen the last of him  
She shook her head and let him in

Hey baby, there's something in your eyes  
Tryin' to say to me  
That I'm gonna be alright if I believe in you  
It's all I want to do

It was me and my sidekick  
He was drunk and I was sick  
We were caught up in a barroom fight  
Till an Indian shot out the lights

I'm so tired of being tired  
Sure as night will follow day  
Most things I worry about  
Never happen anyway

(Chorus)
