(Tom Petty)

In the middle of his life
He left his wife
And ran off to be bad
Boy, it was sad
But he bought a new car
Found a new bar
And went under another name
Created a whole new game

(Chorus)

And the days went by like paper in the wind
Everything changed, then changed again
It's hard to find a friend
It's hard to find a friend

Meanwhile then
His wife's boyfriend moved in and
Took over the house
Everybody was quiet as a mouse
And it changed their lives
Changed their plans
Slowly they grew apart
Boy, it would broke your heart

(Chorus)
