Some days are diamonds. Some days are rocks.
Some doors are opened. Some roads are blocked.
Sun downs are golden, then they fade away.
And If I never do nothing,
I'll get you back some day.
'cause you've got a heart so big it could crush this town.
And I can't hold out forever,
even walls fall down.
And all around your island there's a barricade.
It keeps out the danger.
It holds in the pain.
Sometimes you're happy.
Sometimes you cry.
Half of me is ocean.
Half of me is sky.
But you've got a heart so big it could crush this town.
And I can't hold out forever,
even walls fall down.
(let's take it) Oh.
And Some things are over.
Some things go on.
And part of me you carry,
part of me is gone.
But you've got a heart so big it could crush this town.
And I can't hold out forever,
even walls fall down.
Baby, you've got a heart so big it could crush this town.
And I can't hold out forever,
even walls fall down.
Yeah, yes they do. Yes they do.) They fall down. Alright
