Where do they go?  
IÃf"m lying crying in my bed  
I hear your voice inside my head  
Too scared of opening my eyes and what is there  
I feel you walking through my mind  
I feel you stalking from behind  
I sence your presence anytime and everywhere  
Where do the gods go when weÃf"re godless  
tell me where do they go  
Where do the lost souls fly when will we die  
say where do we go  
IÃf"m waiting shaking shadows crawl  
My bodyÃf"s aching and I fall  
I am the chosen one and only you know why  
I open up my arms and turn  
around and finally I learn  
your name I bid you welcome my black butterfly  
Where do the gods go when weÃf"re godless  
tell me where do they go  
Where do the lost souls fly when will we die  
say where do we go  
I am your every day and night  
I am the pain and your delight  
I am your lust and every fear  
I am your laughter and your tears  
I am the shadow, make you crawl  
I am the one who makes you fall  
I am the creeps under your skin  
And even when I lose I wi
