Baby, I'm a Ruff Ryder
Hey yeah, I'm a Ruff Ryder
Oh no no, yeah yeah

Woke up one Sunday morning
At the crack of dawn and, oh no
My baby left a letter
Tellin' me don't forget her, oh no

She said I wasn't able
To keep our love stable
She knew that I was foolin' around
She saw me with the girl downtown, downtown

So you sayin' that you love me, baby
But you're gone forever and more
And more, and more, and more

And I'm gonna be sorry, baby
'Coz I want you more than before
And more, and more, and more

Now as the letter goes on
I'm reminded of the time when she's all alone
All the days that she's cried
But never once did I ever see the pain in her eyes

She said that I was wrong
That a man who doesn't care isn't all alone
If I could do it all again
Girl, I know one thing is I would not let you go

So you sayin' that you love me, baby
But you're gone forever and more
And more, and more, and more

And I'm gonna be sorry, baby
'Coz I want you more than before
And more, and more, and more

You walked away with nothin' to say

Said you are tired of the games I play
There ain't nothin' that I wouldn't do
To find a way to get back to you

Now you're gone and I'm all alone
Wish that you would come back home
You know I need you here in my life
All I wanna do is try to make it right

So you sayin' that you love me, baby
But you're gone forever and more
And more, and more, and more

And I'm gonna be sorry, baby
'Coz I want you more than before
And more, and more, and more

Baby, baby, baby
Let me talk to you right now, oh no
I should've spent more time with you
Can I make it up to you?
I should of been more careful

So you sayin' that you love me, baby
But you're gone forever and more
And more, and more, and more

And I'm gonna be sorry, baby
'Coz I want you more than before
And more, and more, and more

So you sayin' that you love me, baby
But you're gone forever and more
And more, and more, and more

And I'm gonna be sorry, baby
'Coz I want you more than before
And more, and more, and more

Yeah, I should've spent more time with you
'Coz you was my baby boo
Rememba all the rocks in da park
Rememba when we made love in da dark
Rememba all da shit, baby

And I'm gonna be sorry, baby
'Coz I want you more than before
And more, and more, and more
