Jeena kaisa Pyar bina [What is life without love] }

Is Duniya Mein Aaye ho to [Now that you have come to
this world] }

(2x)

Ek Duj se pyar karo [Love each other, one another] }

Look in the eyes

Of the face of love

Look in her eyes

Oh, there is peace

No nothing dies

Within pure light

Only one hour

Of this pure love

To last a life

Of thirty years

Only one hour

So come and go

Jeena kaisa Pyar bina [What is life without love] }

Is Duniya Mein Aaye ho to [Now that you have come to
this world] }

(2x)

Ek Duj se pyar karo [Love each other, one another] }

Look in the eyes

The face of love

Look in her eyes

Oh, there is peace

No nothing dies

Within pure light

Only one hour

Of this pure love

To last a life

Of thirty years

Only one hour

So come and go
