Where'd you go
the leaves they move too fast
I was lost, looking for your face
Did you go to catch the lover's lie
or to move the stars and put them in place

## Chorus:

Is there ever a dream of mine you, you haven't heard I'll keep running ahead of the race
To hope I put a sparkle in your eye

Did you know when you move I breathe I'd take blind destiny over empty space As my friends slowly fade into ghosts I hold on tighter, and struggle for demands

## Chorus:

Is there ever a dream of mine you, you haven't heard I'll keep running ahead of the race
To hope I put a sparkle in your eye

Sparkle in your eye

Is there ever a dream of mine you, oh you haven't heard
I'll keep running ahead of the race
To hope I put that sparkle in your eye

Is there ever a dream of mine you, oh you haven't heard
I'll keep running ahead of the race
Until I put that sparkle, that sparkle in your eye
