"Brick House"

She's a brick house

The lady's stacked and that's a fact,

ain't holding nothing back.

She's a brick house

She's the one, the only one,

who's built like a amazon [pronounced am-a-ka-zawn]

We're together everybody knows,

and here's how the story goes.

She knows she got everything

a woman needs to get a man, yeah.

How can she lose with what she use

36-24-36, what a winning hand!

[Chorus]

The clothes she wears, the sexy ways,

make an old man wish for younger days

She knows she's built and knows how to please

Sure enough to knock a man to his knees

[Chorus]

Shake it down, shake it down now (repeat)
