My tears are fallin' 'cause you've taken her away

And though it really hurts me so, there's something
that I've got to say

Take good care of my baby

Please don't ever make her blue

Just tell her that you love her

Make sure that your thinking of her

In everything that you say and do

Take good care of my baby

Now don't you ever make her cry

Just let your love surround her

Paint rainbow all around her

Don't let her see you cloud the sky

Once upon a time

That little girl was mine

If I'd been true, I know she'd never be with you

So, Take good care of my baby

Be just as kind as you can be

And if you should discover

That you don't really love her

Just send my baby back home to me

Well, Take good care of my baby

Be just as kind as you can be

And if you should discover

That you don't really love her

Just send my baby back home to me

Ah, take good care of my baby

Well, take good care of my baby

Just, take good care of my baby

Oh, take good care of my baby
