Yeah Yo While y'all just gettin' started Nope I ain't finished yet You niggas is garbage like spam on the internet I been a vet Been in the game Gettin' respect Cashing them cheques Overseas, collecting that net While you're just gettin' your membership My rhymes never stink Rhymes I spit You know they always stay legitimate Won't speak of my life too much Just give y'all a little bit Swiss and American cheese on eggs Benedict I'm international Cats, you're game's limited Homo, vegetarian thugs, all effeminate Fold That hand you playin You ain't winnin' with Gettin' a lot of static like my cat , he in ??????? The trees I smoke is blessed with the heaven scent Leave the spot with ladies so elegant That shit you talk to us stays irrelevant Why you lames tryin' to stay in the game? We playin' to win We're all straight lockin' it down Lay down clown Ronnie Cash Make some noise They call me R O double N I E Cash Two thousand and six You know we can't be done smashed Detroit finest What you call "save the best for last" Now I'm comin' in first, you leave in a hearse A lot of suckers want it bad but I want it the worst It's like the heat in the game The gift and the curse Niggas is lames Y'all need some wigs and a purse Heels and a skirt Just for bumpin' your guns you're quick to get hurt And to my people locked up keep your head up, look Kat still out here reppin' for you checkin' your books And I'm a keep some on that Still keep it banging on these streets 'til y'all come back Used to freestyle up on these beats now we run rap Gettin' ????????? music But they don't want that They scatter the truth Hundred percent Every time I step in the booth
