sitting here, day dreaming about you
our little thing we had
wish i could get it back
cause if it ain't you then i don't want it
and if it ain't you then it ain't for me
i can see your face whenever i'm sleeping
but it hurts when i relize i'm dreaming

so if i can't have you
i'll just be single for the rest of my life
cause you can't be replaced by nobody else
i'll go crazy if i can't have you for myself
if i can't have you
i'll just be single for the rest of my life
i've decided that nobody can compare to you
theres nobody who can make me feel the way you do

theres been a few, who've tried to take your place
i've been on many dates, but it just ain't the same
if it's not a letter sent from you then i don't read it
if it's not a gift sent from you then i don't need it
i've been loaning just to find somebody like you
but nobody can do it quite like you (if i)

repeat chorus
i took your pictures off the wall
that didn't seem to help at all
so i'ma put it out there i'ma let ya know
if you need to rest your head you can come back home
i thought that i could luv without your love you know i
tried
but i feel incomplete if i don't have you at my side
so i'ma put it out there i'ma let you know
if you need to rest your head you can come back home
repeat chorus
