Shine it on my heart

So you could see the truth:

That this love I have inside

Is everything it seems.

But for now I find

It's only in my dreams.

And I can change the world,

I will be the sunlight in your universe.

You would think my love was really something good,

Baby if I could change the world.

And if I could be king,

Even for a day,

I'd take you as my queen;

I'd have it no other way.

And our love would rule

This kingdom we had made.

Till then I'd be a fool,

Wishing for the day...

That I can change the world,

I would be the sunlight in your universe.

You would think my love was really something good,

Baby if I could change the world.

Baby if I could change the world.

I could change the world,

I would be the sunlight in your universe.

You would think my love was really something good,

Baby if I could change the world.

Baby if I could change the world.

Baby if I could change the world.
