And when I come to her that is where I belong

And I'm running through her like a rivers song

She gives me love, love, love, love, crazy love

She gives me love, love, love, love, crazy love

She's got a fine sense of humor when I'm feeling low
down

And I'm coming to her when the sun goes down

Take away my troubles, take away my grief

Take away my heartaches in the night like a thief

She gives me love, love, love, love, crazy love

She gives me love, love, love, love, crazy love

And I need her in the daytime (I need her)

And I need her in the night (I need her)

And I want to throw my arms around her

Kiss and hug her, kiss and hug her tight

When I'm returning from so far away

Gives me some sweet loving, brightens up my day

And it makes me righteous and it makes me whole

And it makes me mellow right down to my soul

She gives me love, love, love, love, crazy love

She gives me love, love, love, love, crazy love
