Your head, brick wall  
Your hands broken  
Tied and burned, beaten  
Open wound, weeping

Paper cuts inside  
My mistakes collide

I'm alive, I'm trying  
Stop the noise  
Quiet

My hands are sore, I'm shaking  
You asleep, me awake  
I'm good at panicking  
You're good at feeding it

Paper cuts inside  
Science, god divide

I'm alive, I'm trying  
Stop the noise  
Quiet

I'm alive, I'm trying  
Reconnect, restart  
Quiet
