Tiny things illuminate us
Makeup on the window sill
Fingers trace and tracks on my face
Uncover the cracks in me
You said that's where the line shines through us
Kiss my mouth
I believe

You're... tearing me apart
It's beautiful
It's beautiful
Beautiful... at the start
You're... tearing me apart
It's beautiful
It's beautiful
Beautiful... at the start

Who would of known my heart is beating?
Who would of known my heart is beating?

I was dreaming we were older
You were laughing
And I woke up
Covered in one sleeping breath
The night before I left New York
I have to catch a plane to Jackknife
But I'll be back soon.

You're... tearing me apart
It's beautiful
It's beautiful
Beautiful... at the start
You're... tearing me apart
It's beautiful
It's beautiful
Beautiful... at the start

Who would known my heart is beating?
Who would known my heart is beating?

You're... tearing me apart
It's beautiful

It's beautiful
Beautiful... at the start
You're... tearing me apart
It's beautiful
It's beautiful
Beautiful... at the start
