You think that I  
Have a simple mind  
That I don't seem to realize  
The game your playing on me  
The you cheat with on me

So StUpId!!

Chorus:  
Don't think I don't know what you're doing  
I'm not that stupid (2x)  
You've taken my kindness for granted  
I've gave you too many chances  
Just when I think you've chnged  
You go back to your sl\*tty ways

So StUpId!!
