There is something in the way  
You are always somewhere else  
Feelings have deserted me  
To a point of no return  
I don't believe in Gods  
But I pray for you

Don't you slip away from me  
It's you I live for  
Don't you leave no  
Don't you slip away from me  
I'm vulnerable to your love

There is something in the way  
You're always somewhere else  
Feelings have deserted me  
To a point of no return  
So the light fades out at you  
So close to lose it

Don't you slip away from me  
It's you I live for  
Don't you leave no  
Don't you slip away from me  
I'm vulnerable to your love  
Don't you slip away from me  
It's you i live my life for  
Don't you slip away from me  
I'm vulnerable to your love  
Don't you slip away
