There is something in the way
you're always somewhere else
Feelings have deserted me
to a point of no return
I don't believe in God,
but I pray for you

Don't you slip away from me
It's you I live for
Don't you leave
Don't you slip away from me
I'm vulnerable to your love

Don't let them get you!
Stay away from the sun
It's too bright for you
Are your eyes getting blurry?
Still, I'm crying your name

I don't believe in God,
but I pray for you.

Don't you slip away from me
It's you I live for
Don't you leave, no
Don't you slip away from me
I'm vulnerable to your love

There is something in the way
you're always somewhere else
Feelings have deserted me
To a point of no return
So the light fades out
and you're so close to losing!

Don't you slip away from me
It's you I live for
Don't you leave no
Don't you slip away from me
I'm vulnerable to your love

Don't you slip away from me

It's you I live my life for
No, don't leave
Don't you slip away from me
I'm vulnerable to your love

Don't you slip away
