Tossed into my mind, stirring the calm
You splash me with beauty and pull me down
'Cause you come from out of nowhere
My glance turns to a stare

Obsession rules me - I'm yours from the start
'Cause you come from out of nowhere
I know you see me - Our eyes interlock
One minute here and one minute there
My glance turns to a stare
Don't know if I'll laugh or cry
One minute here and one minute there

And then you wave good-bye...
Sifting to the bottom, every day for two
All energy funnels, all becomes you
'Cause you come from out of nowhere

My glance turns to a stare

One minute here and one minute there

Don't know if I'll laugh or cry
One minute here and one minute there
And thats all inside

One minute here and one minute there
And then you wave good-bye...
