My life is a circle  
No beginning and no end  
It's always repeating  
A trail I defend to the time

A misunderstanding  
That can't be erased like a file  
I've got all I wanted  
But still I'm not satisfied

Chorus:  
How far will I go to,  
And search my respect and my pride?  
How long will I lie to,  
Myself about the privilege of my live?  
That turns around,  
'Till I die,  
In the dark  
With me

Why am I sad? Why am I sad?  
When I have more than I ever had?

My life is too stable  
I get no air  
My jail is my skin  
I'm false like a fable  
That is being praised  
For it's sin

And once I am trying  
To follow the light then  
The bitch grips my feet  
Pulls me down, underneath

How far will I go to,  
And search my respect and my pride?  
How long will I lie to,  
Myself about the privilege of my live?  
How deep will I have to,  
Fall before I find the world again?  
It's always repeating,

The earth turns around and around  
'Till I die  
Take the time  
Missing me  
With me
