I try to make it through my life
In my way, there's you
I try to make it through these lies
That's all I do

Just don't deny it
Don't try to fight this, and deal with it
That's just part of it

If you were dead or still alive
I don't care
I don't care
Just go and leave this all behind
Cause I swear
I don't care

I Try to make you see my side
I'm Always trying to stay in line
But your eyes see right through
Thats all they do

I'm getting buried in this place
I've got no room your in my face
Don't say anything just go away

If you were dead or still alive
I don't care
I don't care
Just go and leave this all behind
I don't care
I don't care

I'm changing everything
Cause you won't be there for me

I'm changing everything
Cause you won't be there for me

If you were dead or still alive
I don't care
I don't care
Just go and leave this all behind

Cause i swear
I don't care

If you were dead or still alive
I don't care(I don't care)
I don't care(I don't care)
Just go and leave this all behind
I don't care(and i swear)
I don't care...

At all...
