I try to make it through my life
In my way
There's you
I try to make it through these lies
That's all I do

Just don't deny it
Just don't deny it
And deal with it
Yeah deal with it

You try break me
You wanna break me,
Bit by bit
That's just part of it

If you were dead or still alive
I don't care
I don't care
And all the things you left behind
I don't care
I don't care

I try to make you see my side
I always try to stay in line
But your eyes see right through
That's all they do
I'm getting tired of this s***
I got no room when it's like this
What you are to me just deal with it

So, if you were dead or still alive
I don't care
I don't care

And all the things you left behind
I don't care
I don't care

(I've taken care of it, I've taken care of it)

(You won't be there for me, you won't be there for me)

[Piano Solo]

If you were dead or still alive
I don't care
I don't care
And all the things you left behind
I don't care
I don't care

If you were dead or still alive
I don't care
(I've taken care of it)
I don't care
(I've taken care of it)
And all the things you left behind
I don't care
(You won't be there for me)
I don't care
(You won't be there for me)
I don't care
At all
