## "Path Volume 2"

Visit "[Path Volume 2](#)" on [MotoLyrics.com](https://MotoLyrics.com)

I want to live in fire  
with all the taste I desire  
it's all good if you let me dive  
with sharks on the ground  
you lose your routine  
you lose your routine  
'cause I found my path

what the hell are you trying (now I know there is  
something more)  
what happened to you (still staying on my path)  
are you still denying (now i know theres something  
more)

that this is the truth (it's all in you)

what do you came for  
what did you expect to find

so boundless I feel  
and boundless all my fears  
stop running back to old times  
stop running back to old times  
you lose your routine... cause I found my path
