(bad apple) knock knock
(people) who's there?
(bad apple) just a pretty little apple
with some time to spare
Open up!
(people) Apple who?
(bad apple) a harmless little cutie
with her eye on you
Open up that door and let me in
Don't ya worry 'bout those hairs
on your chinny chin chin
I'm not preachin' moderation
Knock knock!
(people) what's your name?
(bad apple) Temptation
(people) OH OH
(bad apple) Temtation
(people) Look out!
(bad apple) TEMPTATION!
