Now Billy Joe McGuffrey was a really clumsy kid.  
On the first day of first grade, I'll tell you what he did.  
He tripped over a pencil box and flew up in the air,  
Landed on a kangaroo who pulled out all his hair.

He needed first aide, in the first grade.  
First aide, in the first grade.  
First aide, in the first grade.  
You could buy a zoo with all the doctor bills he payed.

Oh, Billy Joe McGuffrey was a really clumsy kid.  
On the second day of second grade, I'll tell you what he  
did.  
He slipped on a banana peel and flew up in the sky,  
Landed on a chimpanzee who poked him in the eye.

He needed first aide, in the second grade.  
First aide, in the second grade.  
First aide, in the second grade.  
You could buy a zoo with all the doctor bills he payed.

Now, Billy Joe McGuffrey was a really clumsy kid,  
on the third day of third grade I'll tell you what he did.  
He fell out of a fishing boat, splashed into the sea..  
Landed on a moreo who bit him on the knee.

He needed first aide, in the third grade.  
First aide, in the third grade.  
First aide, in the third grade.  
You could buy a zoo with all the doctor bills he payed.

12th grade!

Now, Billy Joe McGuffrey was a really clumsy kid,  
On the twelfth day of twelfth grade I'll tell you what he  
did.  
Walked into financial aide and fell and broke a bone.  
showed them all his bills and got a great big college  
loan!

He needed first aide, in the twelfth grade.

First aide, in the twelfth grade.  
First aide, in the twelfth grade.  
You could buy a zoo with all the doctor bills he payed.

You could buy a zoo with all the doctor bills he payed.
