"Close To You"

Why do birds suddenly appear
Every time you are near?
Just like me, they long to be
Close to you

Why do stars fall down from the sky
Every time you walk by?
Just like me, they long to be
Close to you

On the day that you were born
The angels got together
And decided to create a dream come true
So they sprinkled gold dust in your hair
And silver starlight in your eyes of blue

That is why all the kids in town
Follow you all around
Just like me, they long to be
Close to you

La, la la la la
Close to you
La, la la la la
Close to you
