### Count Your Eggs

Off we go, off we go,  
Looking to and fro.  
On your mark, ready, start,  
On your mark, set, go!  
Hope I find more than them,  
By the time I'm done,  
Just be kind, you might find a very special one!  
I found one, make it two,  
Painted green and blue.  
What's inside - a surprise?  
Maybe something new?  
One two Oui(wee) Look at me!  
I have now found three!  
This is neat, what a treat!  
To find something sweet!

### Chorus:

Count your eggs, 1-2-3, I found some behind the tree!  
Count your eggs, 4-5-6, they were underneath those sticks!  
Count your eggs, 7-8-9, Hurry up, there's not much time!  
Count your eggs, make sure there's ten?  
I lost count - let's start again!

Wait there's more - I found four!  
Where are five and six?  
There they are, and inside  
I found candy chicks!  
seven-eight - is the one special egg with me?  
Number nine now is mine.  
I will look and see.

### Repeat Chorus

I see one purple egg  
Waiting there for me.  
I can't get to my egg fast enough to see.  
If that egg is the one with the prize within!

Will you look Mr. Bob, Tell me did I win?

Repeat Chorus

Count your eggs,  
make sure there's ten?  
That was fun, let's play again!
